

Thornborough & Thornton WI 2022 Programme

Most meetings are also broadcast via Zoom at 7.30pm. Details circulated with the monthly WI agenda.

2nd February The local NHS Patient support service, Keith Hofgartner, Ria Curtis and Lisa Carrington

Introducing the Care and Support Service based out of the Swan Surgery that is offered to socially isolated patients in our area.

2nd March The women of Bletchley Park, Pam Wignall

Did you know that 75% of workers at Bletchley Park were women? Learn who these women were and how they contributed to the war effort.

6th April The work of a Macmillan nurse, Gwynne Grayson

Our very own T&T WI member will give us an insight into her work as a Macmillan nurse in London.

4th May Resolutions

Members need to consider the resolution(s) going forward for final voting at the NFWI Annual Meeting.

1st June Iran, Ray Rowson

Prepare for an evening of education, enlightenment and, of course, beautiful photography.

6th July Silk for Sundays, Yvonne Bell

An insight into the world of silk painting in the creation of church and secular vestments.

3rd August Annual Garden Meeting

7th September Milton Keynes: a city in the trees, Andy Lane

Learn about the planning and management of green space in Milton Keynes, a city that likes to be different.

5th October Animal Computer interaction, Clara Mancini

A look behind the scenes of Medical Detection Dogs (and other organisations) in terms of how their animals interact with computer-based technology. Clara will also bring her own two dogs.

2nd November T&T WI Annual Meeting

This is an opportunity for members to elect a new committee and appoint our President from it.

7th December

Some Festive entertainment will take place after our final WI meeting of 2022. Bring good cheer and enthusiasm!
